* The Carrollton Board of Education voted to take two scheduled holidays on the school calendar and use them to absorb the missed school days resulting from the October 2009 historic flood. The board made the decision to add the two school days to avoid the possibility of losing spring break or adding a week to the school year in the event that more school closings become necessary. This would result in ALL missed days having to be made up, according to state law.

** APPLICABLE TO SCHOOL SYSTEM EMPLOYEES ONLY: Post-planning begins on May 24 and the end date will be determined by each school depending on the use of "Flex Days," which may be added to pre or post planning. Professional Development Days (PDDs) that are designated as Flex Days will be determined by each school site by majority vote. If a school chooses to use a Flex Day as a holiday, then that day will be added to pre or post planning. Carrollton Board of Education policy requires that a minimum of 12 hours of professional training take place during PDDs. The schedule for PDDs will be set by the principal at each school.
